PAYMENT METHODS

If the prices meet with your expectations, a 20% deposit is required to secure the booking via the following methods:

PAYPAL

A PayPal Invoice will be sent for the deposit. Full amount to be paid in USD, please note that you can also make a secure credit card payment to PayPal too!! Our PayPal account is paypal.me/periperidivers (copy & paste to your web browser) or Info@peri-peridivers.com

BANK TRANSFER

Your invoice will state the USD rate for the dives you want to book and at the bottom will be that days' exchange rate to Rands (South African). The bank details appear on the left side and the 20% deposit amount stated at the bottom right of the invoice.

Please note: there is a 300 Meticais charge per week for all divers. (Government tax issued by Maritime).

One final thought: due to Forex exchange rates, our walk-in price is generally a little more expensive here in Tofo (Meticais). Taking this into account, you will only receive the USD rate if a minimum deposit has been paid prior to arrival.

Please let us know if we can help further with securing the booking
